

🎸 Charlie Parker Bebop Lick in B \flat

This one's a tribute to Bird — a signature bebop phrase, adapted for ukulele.

Fast triplets, chromatic movement and a tasty mix of altered tones. A great line to practice your articulation and rhythmic control.

☐ Suitable for both tenor & baritone tunnings

🎧 Full audio + TAB & notation in the PDF

Thanks for exploring these lines with me — they're short but deep! Let's keep discovering the beauty of jazz, one phrase at a time.
